

TRADE EXHIBITION AND SPONSORSHIP OPPORTUNITIES

Dear Sir/Madam,

We are thrilled to invite you to join us at our upcoming 19th ASEAN Conference of Clinical Laboratory Sciences (ACCLS) 2026 in conjunction with the 35th National Scientific Conference of MIMLS, where we will be hosting a trade exhibition to allow companies to showcase your latest products and services.

This is a fantastic opportunity to increase your visibility, connect with potential customers and showcase your products to a targeted audience including medical laboratory professionals, researchers, academicians and students.

The Organising Committee have planned the scientific program featuring trade exhibition as a platform for the industry to participate in sharing of knowledge and understanding the optimum performance and potentials of your products.

We have a limited number of spaces available so we encourage you to register as soon as possible to secure the best spot!

Looking forward to seeing you at the conference and helping you achieve your business goals.
